2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

On March 21, 2022 Dominion is asking for another rate increase of \$6.53 per month (5.19%) to possibly start on May 1, 2022.

So at what point do we hold Dominion to their contracts along with their promises to not increase our rates? So far Dominion has erased our failed nuclear refunds by increasing rates beyond the refund. In 3 years Dominion has raised our rates 2 times and is asking for a 3rd despite the fact that they promised not to raise rates every single time they get approved for a rate increase.

3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? *

I am disabled and unable to attend.
